## Setting up Remote Access Accessing Electronic Resources from Off-Campus

Most electronic reserves, electronic journals, electronic books and databases are restricted for the use of UCSD faculty, staff, and students. When you are off campus you must be **authenticated** (verified as currently affiliated with UCSD) in order to use these resources. You can find step by step instructions on setting up remote access at the following web site:

<http://libraries.ucsd.edu/services/remote.html>

### Still Having Trouble?

#### 1. Verify Your Network Username & Password

- Confirm your username by trying the simple test at <http://www-no.ucsd.edu/services/netusername.html>
- Any Questions?
- Call or email Network Operations at (858) 534-1857 or [userserv@ucsd.edu](mailto:userserv@ucsd.edu)

#### 2. Connecting to UCSD Restricted Resources

- After configuring your browser for the first time, you need to close and restart it.
- Make sure that cookies and JavaScript are turned on

#### 3. Questions on Library Resources or Reserves?

- Call the Libraries Information Desk at (858) 534-3339
